# BASUDEB BEJ

Web Developer

Tamluk Rajbari, Tamluk - 721636, West Bengal, India

+91-9907327852 basudebbej2025@gmail.com https://linkedin.com/in/basudeb-bej https://github.com/Basudeb-Bej

I am a dedicated BCA student with a strong interest in software development, data structures, and web technologies. I enjoy learning new programming languages and building real-time applications. Passionate about solving problems through code.

## EXPERIENCE

### Advance Diploma of Computer Application

2021 - 2022

Tikrapara Indira Gandhi Computer Center

Completed a one-year ADCA-TIG diploma with hands-on training in OS, MS Office, C programming, web tools, Photoshop, and Tally ERP with GST.

## PROJECTS

### 🌐 Portfolio Website

**Live at: https://basudeb-bej.me**

**Repo: https://github.com/Basudeb-Bej/Basudeb-Bej.github.io.git**

Developed and deployed a personal portfolio website showcasing technical expertise and web projects, featuring real-time interactivity and a responsive light/dark theme UI.

### 🕒 Digital Clock

**Live at: https://simple-clock-alpha.vercel.app/**

**Repo: https://github.com/Basudeb-Bej/Digital_clock.git**

Developed a real-time digital clock with intuitive UI and time-based logic.

### 🏦 Banking System

**Repo: https://github.com/Basudeb-Bej/Banking-System.git**

Developed a console-based Banking System in Python with core features like account creation, deposit, withdrawal, and transaction logs.

### ✊✋✌ Rock Paper Scissors

**Repo: https://github.com/Basudeb-Bej/Rock-Paper-Scissors.git**

Built a Rock-Paper-Scissors game in Python, demonstrating core programming logic and Git-based project management.

## EDUCATION

### Bachelor of Computer Application

2023 - 2027

Tamralipta Institute of Management and Technology

Studying core subjects including programming, database systems, software engineering, and web development.

### Commerce

2021 - 2023

Tikrapara A.M. High School

Focused on Accountency, Business Studies, Mathemetics and Computer Science. Developed interest in coding and software development.

## TECHNICAL SKILLS

- C • Python • HTML • CSS • JS
- Currently learning PHP with MySQL and OOPs with Java
- Data Structure
- DBMS

## SOFT SKILLS

Efficient in problem-solving and time management, especially under project deadline
